Audition Information – What to Play

All students attending the TLU SMA will audition for placement in ensembles.

Students should prepare:

- Two short contrasting selections (for example, one slow, lyrical selection and another faster, more technical selection) of your own choosing. These selections may be about thirty seconds to one minute in length and demonstrate proficiency on the instrument.
- Additionally, all students may be asked to sight-read a short selection.

These selections may be chosen from any of the following materials (student choice):

- ✓ Solo literature (contrasting sections of one solo is perfectly fine)
- ✓ Etudes/Method books from school or lessons
- ✓ Excerpts from selections performed at school/School audition Music
- ✓ You may want to ask for suggestions from your middle or high school directors or private lesson instructors.
- ✓ Percussionists should prepare a mallet piece and a snare piece.

A Note About Ensemble Assignments: Our campers come from a wide variety of backgrounds and differing musical experiences. Your ensemble assignment may be different from what you are used to at your own school, which can be a surprise to some. We encourage campers to prepare for the placement audition and then to trust the decisions of the TLU faculty to place them in the appropriate ensemble. We want all campers to get the most out of their camp experience and we stand behind the auditions. Once ensemble assignments have been made, they will not be changed. Thank you for your understanding in this matter.

After Auditions:

- After auditions, students may leave with their parents. There is no need to sign out from the Alumni Student Center tonight.
- Audition results/schedules – distributed starting at 7:30 a.m. Monday morning when you check in at the Alumni Student Center, located at 1109 University St., Seguin, TX 78155.
- Daily check-in runs from 7:30 a.m. to 8:15 a.m.
