

# MASTER OF BUSINESS ADMINISTRATION

## 100% ONLINE PROGRAM

MBA's are highly valued in the marketplace as employers seek to hire strong managers and decision makers who are familiar with contemporary management issues, new virtual working environments, and the latest in data mining, predictive modeling, and business analytics.

TLU's 100% online MBA equips managers with the knowledge and resources they need to lead employees in an era of emerging work settings and an increasing demand for data management and analysis. True to the TLU experience, our MBA students have many opportunities to get to know others in their cohort and develop long-lasting relationships with a new network of business professionals.

## COMPLETE YOUR PREREQUISITES ONLINE WITH IVY

TLU has partnered with Ivy Software to provide self-paced, online, prerequisite courses at a reasonable cost (\$125 per course) for our MBA candidates. Students who are directed to complete prerequisites by the Director for Graduate Admissions will need to create an account through the Ivy-TLU MBA link on [tlu.edu/mba](http://tlu.edu/mba) to register for the courses they need.

Ivy's courses are non-credit and have been approved by the ACBSP and the IACBE as meeting all the requirements for a Common Professional Component (CPC).
