

How to Remove Gloves

To protect yourself, use the following steps to take off gloves

1 Grasp the outside of one glove at the wrist. Do not touch your bare skin.

2 Peel the glove away from your body, pulling it inside out.

3 Hold the glove you just removed in your gloved hand.

4 Peel off the second glove by putting your fingers inside the glove at the top of your wrist.

5 Turn the second glove inside out while pulling it away from your body, leaving the first glove inside the second.

6 Dispose of the gloves safely. Do not reuse the gloves.

7 Clean your hands immediately after removing gloves.
