## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Texas Lutheran University complies with the Family Educational Rights and Privacy Act of 1974. This act is designed to protect the privacy of a student's educational records and the right of a student to his/her records. The Student Handbook and the TLU Bulletin both describe the policies that govern maintenance of and access to a student's personal and academic records. The policy permits disclosure of educational records under certain limited circumstances and routine disclosures, at the University's discretion of information defined by the University as directory information. Texas Lutheran defines directory information as the following: name, address, phone number, major, minor, photo, participation in sports, height and weight of athletes, degree candidacy, degrees and awards received, number of registered hours, classification, academic honors, dates of attendance, campus email address, photographic/videotaped images, and previous colleges attended. You have the right to prevent the disclosure of directory information by filing a request in writing in the Office of Registration and Records on the Request to Prevent Disclosure of Directory Information form (which is available in the Registrar's office). Such a request is good for one semester only.

Texas Lutheran University assumes no liability for any actions or results that come from honoring your instructions that the information be withheld.
