Auditions

NEW THIS YEAR

Everyone should receive a link to sign up for an audition time slot. Make sure you arrive with enough time to go through registration and then audition. If you are still in the registration line and your audition time is nearing, please have parents complete the check-in process while campers go to audition.

- Auditions are held between 2:30pm and 5:00 pm in the Weston Center for the Performing Arts Music Building (string auditions will be in the classrooms in Centennial Hall, right across the street)
- Students may warm up in the orchestra room, band hall, or in the practice rooms upstairs, and then proceed to the room assigned for auditions as soon as they are ready.
- A list of audition room assignments will be posted prominently in the hallways of the Weston Center/Centennial Hall.
- **We would prefer that parents leave after setting students up in the dorms, as the music building will be very crowded this year because of using it for check-in. Thank you for your understanding!**
- Wondering what to play for your audition? See below!
- Following your audition, relax in your dorms until your meeting at 5:15pm!

Audition Information – What to Play

All students attending TLU SMA will audition for placement in ensembles.

Students should prepare:

- Two short contrasting selections (for example, one slow, lyrical selection and another faster, more technical selection) of your own choosing. These selections may be about thirty seconds to one minute in length and demonstrate proficiency on the instrument.
- Additionally, all students may be asked to sight-read a short selection.

These selections may be chosen from any of the following materials (student choice):

- ✓ Solo literature (contrasting sections of one solo is perfectly fine)
- ✓ Etudes/Method books from school or lessons
- ✓ Excerpts from selections performed at school/School audition Music

- ✓ You may want to ask for suggestions from your middle or high school directors or private lesson instructors.
- ✓ Percussionists should prepare a mallet selection and a snare selection.

Parents, here is the evening schedule for your students, after their auditions are complete and you have left them in our care:

- 5:15 Brief hall meeting with your counselors – travel to dinner together
- 5:30 Dinner in Hein Dining Hall (Campers and Faculty/Staff only)
- 6:30 Camp Meeting – Jackson Auditorium
- 7:00 Orientation activities
- 9:00 Dorm meetings

A Note About Ensemble Assignments: Our campers come from a wide variety of backgrounds and differing musical experiences. Your ensemble assignment may be different from what you are used to at your own school, which can be a surprise to some. We encourage campers to prepare for the placement audition and then to trust the decisions of the TLU faculty to place them in the appropriate ensemble. We want all campers to get the most out of their camp experience and we stand behind the auditions. Once ensemble assignments have been made, they will not be changed. Thank you for your understanding in this matter.

Audition results/schedules and schedules will be distributed at 7:15 a.m. Monday morning in your dorm lobby!
